*This is to certify that \_\_\_\_\_ has been bred to the  
named stud \_\_\_\_\_ On this date \_\_\_\_\_*

*Stud owner will provide the care of the bitch while she is here at Sherbil's Kennel.*

*This means:*

*Vet services will be provided if needed, expense to be paid by owner. Boarding will be part of the stud fee. Bitch owner will provide a shot record, current rabies vaccination paper, and brucellosis test results. Copies of OFA, Eye Cert, and any titles earned i.e. CD, Ch. When litter is whelped stud owner will be notified. A copy of each puppy owner with phone and address will be provided to the stud owner. All puppies will be eye cert'd at 7 wks. Stud owner will get a copy of all eye certs of puppies. Pictures of puppies will be sent to stud owner to verify that a litter was born.*

*At least 3 pups born alive are considered a litter. Any pups with excessive white will be humanely put down by a vet. "Excessive white" means white on ears with no pigment, white on head, with the eye rims lacking pigment. Tails and dew claws will be removed at about 2 days of birth but no later than 4 days. All pups that are natural bobtails will be documented to the stud owner.*

*This breeding will be done naturally if possible. A vet will be used if the breeding is not easy to acquire. Meaning, artificial insemination will be done if necessary.*

*If this breeding doesn't result in puppies, a return breeding will be done free of charge. It must, however, be on the same bitch and within a year's time. Stud owner reserves the right to choose a puppy or stud fee. If stud fee is to be paid it is due at time of sale of the first puppy. All papers will be signed and given to bitch owner at time of breeding. A copy of litter application from AKC/ASCA will be given to stud owner as part of the paperwork given after litter is born.*
